

## **AYC-09**

### **Split, wall mounted air conditioner**

Information to be provided in the cases where end-users cannot be expected to see the product displayed.

**Energy efficiency class for cooling:** A+

**Energy efficiency class for heating:** A+

**Seasonal energy efficiency ratio (SEER):** 5,8

**Seasonal coefficient of performance (SCOP):** 4

**Design load for cooling ( $P_{designc}$ ):** 2,5 kW

**Design load for heating ( $P_{designh}$ ):** 2,5 kW

**Annual electricity consumption for cooling:** 151 kWh/a

**Annual electricity consumption for heating:** 875 kWh/a

**Appliance is declared fit for average heating season**

**Sound power levels (indoor unit):** 50 dB(A) re1 pW

**Sound power levels (outdoor unit):** 60 dB(A) re1 pW

**Name of refrigerant used:** R410A

**GWP of refrigerant used:** 2008
