

AYL-12BI

Split, wall mounted air conditioner

Information to be provided in the cases where end-users cannot be expected to see the product displayed.

Energy efficiency class for cooling: A++

Energy efficiency class for heating: A+

Seasonal energy efficiency ratio (SEER): 6,1

Seasonal coefficient of performance (SCOP): 4,0

Design load for cooling ($P_{designc}$): 3,2 kW

Design load for heating ($P_{designh}$): 3,2 kW

Annual electricity consumption for cooling: 184 kWh/a

Annual electricity consumption for heating: 1120 kWh/a

Appliance is declared fit for average heating season

Sound power levels (indoor unit): 55 dB(A) re1 pW

Sound power levels (outdoor unit): 62 dB(A) re1 pW

Name of refrigerant used: R32

GWP of refrigerant used: 675
