

AYL-24BI

Split, wall mounted air conditioner

Information to be provided in the cases where end-users cannot be expected to see the product displayed.

Energy efficiency class for cooling: A++

Energy efficiency class for heating: A+

Seasonal energy efficiency ratio (SEER): 6,1

Seasonal coefficient of performance (SCOP): 4,0

Design load for cooling ($P_{designc}$): 6,1 kW

Design load for heating ($P_{designh}$): 4,7 kW

Annual electricity consumption for cooling: 350 kWh/a

Annual electricity consumption for heating: 1645 kWh/a

Appliance is declared fit for average heating season

Sound power levels (indoor unit): 59 dB(A) re1 pW

Sound power levels (outdoor unit): 67 dB(A) re1 pW

Name of refrigerant used: R32

GWP of refrigerant used: 675
