

AYM-07P

Local air conditioner

Information to be provided in the cases where end-users cannot be expected to see the product displayed.

Energy efficiency class: A

Energy efficiency ratio (EER): 2,6

Coefficient of performance (COP): - -

Rated capacity for cooling (P_{rated}): 2,1 kW

Rated capacity for heating (P_{rated}): - -

Hourly electricity consumption for cooling: 0,8 kWh / h

Hourly electricity consumption for heating: - -

Sound power levels (indoor unit): 63 dB(A) re1 pW

Name of refrigerant used: R290

GWP of refrigerant used: 3
